MCaP Partner Liberatory Design Follow-Up Sessions

**Topic:** These sessions are designed to deepen your knowledge and understanding of the Liberatory Design Approach. As a District and School Site leader, you will have an opportunity to reflect on your system, as you identify strengths and areas of growth using the Liberatory Design mindsets and modes. Likewise, you will learn more about the eight MCAP Innovation offerings as you explore which of these options support your district and school vision towards implementing the English Learner Roadmap Policy.

Register by selecting one of the options below.
