Paraeducator Professional Learning Series

Topic: This FREE four-part online professional development series is a collaborative learning opportunity to support paraeducators, throughout the state, as they strive to reach their individual and collective professional goals, as integral members of a Local Educational Agency's English learner team. All content and networking opportunities will be grounded on the California English Learner Roadmap (ELR) Policy, guidance, and principles "intended to guide all levels of the system towards a coherent and aligned set of practices, services, relationships, and approaches to teaching and learning that add up to a powerful, effective, twenty-first century education for all English learners."
