

Language Development Through Science

University-based teacher educators from the **University of San Diego** and museum-based teacher educators from the **Fleet Science Center** present:

Like a Scientist, a four-workshop series with the goal of building the capacity of teachers and paraprofessionals in supporting the development of students' English language skills through experiential, inquiry-based practices grounded in the Next Generation Science Standards (NGSS).

MODULE 1:

Think and Question Like a Scientist

Wednesday, February 22, 2023

4:00–6:00 PM synchronous via Zoom

MODULE 2:

Observe and Notebook Like a Scientist

Saturday, February 25, 2023

10:00 AM – 1:00 PM synchronous via Zoom
